For these 3D blank models, ask for model-specific minimum quantities, sampling, production timing and payment terms. The trophy order guidance on the next page is not a blanket commitment for this range.

## 03 / FROM MODEL LIST TO QUOTATION

# Prepare your trade inquiry

Send the details below to receive a quotation for the selected models. Retain the agreed sample and specifications for repeat orders.

## Trophy blank ordering guidance

**Minimum quantity.** Usual bulk minimum: 50 pieces per model. Mixing models does not combine their minimum quantities.

**Samples and timing.** Custom development and samples are supported. Sampling generally takes 5-7 days; confirm sample cost, transport and schedule. Bulk timing depends on quantity.

**Packing.** Gift-box packing is usual; a premium wooden-box option can be discussed. Confirm assembly condition and pieces per carton for the selected model.

**Payment.** 30% deposit, with the remaining 70% paid in full before shipment. Confirm currency, payment method and delivery terms in the quotation.

## What to send

1. Model numbers, selected sizes and quantity for each model.
2. Blank or decorated supply, artwork if applicable, and required packing.
3. Delivery country and postal code, plus the required delivery date.
